Little Roy - Banjo, Guitar, Crazy, etc... Little Roy is awfully hard to overlook. He makes sure that no one in the audience gets bored at any time. Little Roy has won awards as an entertainer as well as for his banjo playing. Little Roy learned to play banjo when he was only six years old and is multi-talented - he sings, plays many instruments, tells stories, and acts. When you see this Duo, you are sure to notice Little Roy, and he'll make you smile.

Lizzy Long - Fiddle, Banjo, Guitar, resonator banjo, vocals. Lizzy began her music accomplishment at an early age. While starting out on the piano, Lizzy soon took up the fiddle, guitar, autoharp, bass, banjo, and mandolin, and has become an accomplished musician, alternating between these instruments as part of her entertainment repertoire. Continuing her quest for success, Lizzy paired up with Little Roy Lewis from the legendary Lewis Family. Her voice shimmers with strains of America's musical roots.
